On the day of the Day Camp Workshop you will be given session cards, 1 card per session, per person enrolled. This card will act as the session ticket and will be collected at the door. Only participants holding a session card for the class will be admitted.

Registration forms are completed on a first come, first served basis. We will substitute filled sessions requested with available sessions. Registration forms not received by the deadline will not be filled. On the day of the workshop you will be able to choose sessions, based on availability, at the registration desk. At this time, sessions can be changed or altered based on availability. Please do not call with session changes once forms have been submitted.
