TITLE: Have You Saved Enough Towards Retirement? Learn About Your IMRF Benefits.

LENGTH: 40 minutes

BRIEF DESCRIPTION: If you want to better understand the nature of IMRF and why you are making contributions, this presentation is for you! An IMRF Counselor will explain how your pension is funded, the benefits of making Voluntary Additional Contributions that compound 7.25% annually, and review all of your IMRF benefits as you work towards retirement.

LEARNING OUTCOMES:

#1, Participants will: Understand the benefit of, early on, making Voluntary Additional Contributions.

#2, Participants will: Understand how the Pension is calculated, the differences between Tier 1 and 2, and review of all IMRF benefits.
