

School-Age Program Meeting

August 20, 2021

10:00am

Platform: Zoom

Attendee's: Kristin Morrison, Cali DeBella- Frankfort Park District; Rebecca Perkaus- Alsip Park District; Karen Cooper, Anne Harmon, Megan Williams, Casey O'Connell- Joliet Park District; Melissa Seaburg & Leanna Hartung- Park District of LaGrange; Amanda Gaus- Homewood Flossmoor

April Meeting Agenda

- Round Table Introductions
- After School Update
- Youth Programs
- Meeting Date/Times Location
- Questions/Comments from the group

After School Update

- **Homewood Flossmoor-**
 - Amanda Gaus- Oversees the aftercare and pool. Started school in the schools. Went down one site, now at 4. Having trouble staffing.
 - Are following masks mandates.
 - If anyone has a blanket statement to parents to notify them of someone in the program tested positive please send to Amanda.
- **Joliet Park District-**
 - Casey O'Connell- TROYU70 enrolled right now. 32 in before and 60 in after. Comparable in 2019. Do program on site at the park district and the school bus to them. Some of the schools are saying they don't have the room on the busses, so they are needed to cap on enrollment. Staff is ok for right now, but some are searching for full time jobs. They do have to wear them inside the building.
 - Megan Williams- Laraway 70C & District 86. Started Wednesday. With enrollment of 50. Not in the schools right now all program is held at the Nowell Park facility, and they bus the kids there from the school. This is because of low staffing. They are wearing masks inside.

- **Park District of LaGrange**

- Melissa Seaberg- Enrollment is great with waitlists up to 100. Having huge staffing issues. Participating in a community wide job fair so hopefully some staffing will come from that. May not be able to hold it at one of the sites because of low staff.
- Following school rules as far as masks.
- Giving extra perks to entice new employees, free fitness, discounted room rentals, for afterschool if they have children, they would be able to attend for free, program free or discounted price (depending on the class).

- **Alsip Park District**

- Enrollment is up and most it's been for the first couple weeks of school. School begins Monday. We raised our capacity to 24 from 15 to get more kids off the waitlist. Biggest concern is picking up the kids from 3 different schools at the same time with only two vehicles.

- **Frankfort Park District**

- Kristin Morrison-Before/After school held at school. Enrollment is going well. Staff is good for BASP.
- Wearing masks as following school district.

- **New Lenox Park District**

- Jess Tompkins- started on Wednesday, enrollment is at 40's at 4 different locations. Really struggling for staff right now, no one is applying.
- Program held at school so requiring masks.

Youth Enrichment Classes

- **Joliet**

- Registration: Fall Soccer, Dance program and tumbling program seems to have the highest numbers.
- Most registration for youth program for fall happens in the next couple of the week.
- Joliet had Gary Kantor balloon making workshop in person for camp, and it went well. Might be an idea for a workshop.

Questions from the Group

- Notice that busses are 3 to a seat, is that with everyone?
 - Some have been told because of the shortage they can't social distance on busses and they try to keep siblings together as much as they can.
- Brochures (who is now printing and who is doing online)
 - Alsip: Print and online
 - Frankfort: Print but limited copies and online
 - Joliet: Just online now
 - LaGrange: Print and online
- If Schools shut down again, what plans do you have in place.
 - LaGrange has a plan in writing to do their e-learning program in their park district facility
 - Most say we will offer programs very similar to last year.
- Refund/Household credit for kids that go in quarantine
 - Will give household credit to be used at a later time.
- Homeschool Kids
 - Alsip has a few kids who will be attending afterschool after they homeschool days.
 - Homewood requesting some programming during the day for the homeschool kids
- Is anyone offering birthday parties yet?
 - No one on the call seems to be offering it yet

Meeting Preference:

- Continue with Zoom Platform
- 1:00pm on Friday's

Meeting Dates Going Forward

Meeting Time: 1:00-2:00PM

September 24, 2021

October 22, 2021

December 3, 2021
