You've Gota Friend in Me! The workshop begins promptly at 9am with Melissa Bennet Counseling leading the **Teamwork and Communication** Opening Session. The day will follow with 3 breakout sessions offering a variety of topics each session: behavior management, leadership, sports, staff motivation, games, crafts, safety and more while we give our staff tools to be the best staff member they can be. Your staff will have an opportunity to attend a variety of sessions that are highly interactive; the better trained staff are, the better they are ready for emergencies and the better they are ready to blast off to greatness at **Camp and Beyond!** Each participant will also receive a free give-away.
