INFLUENCE YOUR IMPACT

Summer camp staff are the Original, and Ultimate, Influencers!

The workshop begins promptly at 9am with Lisa Lombardi leading the **May Motivation Madness** session.. The day will follow with 3 breakout sessions offering a variety of topics: behavior management, leadership, sports, staff motivation, games, crafts, safety and more while we give our staff tools to be the best staff member they can be. Your staff will have an opportunity to attend a variety of sessions that are highly interactive; the better trained staff are, the better they are ready for emergencies and the better they are ready to **INFLUENCE** the campers to greatness! Each participant will also receive a free give-away.
